

ANCORA HEALTH ASSOCIATION

Partnering **Faith** and **Professional Excellence** in Health Care

Ancora exists to provide professional support to Christian organizations providing **pregnancy options support and sexual health care**. We equip organizations to operate according to health legislation, regulations, and best practices standards.

Through our community and discipleship, Ancora empowers members to deliver **Christ and client-centered care** that meets the rigorous demands of today's health care world.

Do you seek meaningful ways to integrate your faith and expertise?

Ancora offers a range of service opportunities with flexible levels of commitment. Join a network of professionals making a unique difference in communities across Canada.

Connect with us to explore how your skills can serve a greater purpose.
